Those trademarks followed by ® are registered trademarks of Vigil in Canada, the United States, Europe, Australia, and New Zealand. Fair use allows use of or reference to Vigil's trademarks in advertising and promotion of Vigil products, however, requires proper acknowledgement. It is necessary that the usage be truthful, not disparaging to Vigil, and not mislead the public. You must be clear and accurate as to the nature of the relationship between Vigil and your company, its products or services.

You may refer to Vigil products and services by their associated Vigil trademarks, so long as such use complies with these Guidelines, which may be periodically modified by Vigil in Vigil's sole discretion. Specifically:

- Use the appropriate trademark symbol and trademark acknowledgment of Vigil's ownership of the marks and/or logos in question.
 - Do not incorporate Vigil trademarks or logos into your own product names, service names, trademarks, logos, or company names, and do not adopt marks or logos that are confusingly similar to Vigil's marks and logos.
 - Vigil carefully limits the use of its logos. Do not make unlicensed use of Vigil's licensed logos. Third party use of Vigil logos requires a license or written permission from Vigil.
